

Kraft Heinz’s Commitment to Families & Communities
Food for All, Made with Purpose.

We help feed the world, whether by innovating products to provide value at every price point or donating meals to people in need.

We provide affordable solutions for families, ensuring access to food that combines great taste, value, and nutrition while helping consumers make informed food and beverage choices for their families.

Did you know?

7 million boxes of Kraft Mac and Cheese are sold:	Every Day
You can make a delicious grilled cheese sandwich for:	under \$1
Our coffee offerings can be as affordable as:	less than \$0.12 per cup
You can find Kraft Heinz products in:	94% of U.S. households

We lead with transparency. That’s why we use SmartLabel and front-of-pack facts to help consumers make informed food and beverage choices, whether at home or at the grocery store.

We’re committed to addressing hunger in communities we call home. We’ve **donated more than 90 million pounds of our products to U.S. families** through Feeding America and **nearly 1.5 billion meals** to people in need around the world and here at home since 2021.
